

8140 Tucana Table Lamp

Elegant modular table lamp is modular.

The Italian leather covered base is available in different shapes and sizes as well as leather colours. Customers or designers can also request to supply the leather if they wish to achieve a specific finish.

- The lamp shades are also available in different shapes and sizes and can be supplied with any colour or any finish parchment.
- The metal detailing is chrome plated marine grade brass. The lamps are designed to be through-pinned to the joinery they sit on, but can also be glued if that is easier.
- A clever and elegant design that is ideal for opulent decorative interiors. • Wooden structure covered with leather, available in black, brown and coffee.
- Brass end-plate with galvanic treatment.
- E27 bulb-holder.
- Choice between different pleated ivory lamp shades.
- Supplied with hose threaded tube and nut, for fixing directly on the surface of application.
- SKU FS-8140
