L00002 Piacentini Marble Table Lamp

The Piacentini table lamp is the culmination of years of lighting design by Foresti & Suardi.

Taking inspiration from the Rationalist design movement, each element has been constructed to deliver design purity. Its clean form and function are dedicated to one of the great Italian architects of that time, Marcello Piacentini.
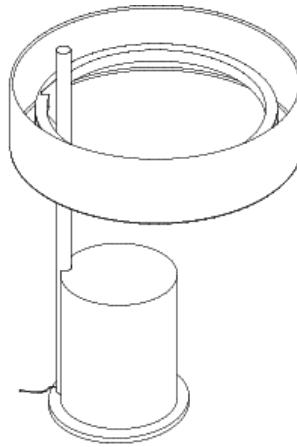

This luxurious Deco style is embodied in its refined materials, such as brass, decorative plating and marble.

The latest technology has been used with regards to the LED module and affiliated components, with the lamp featuring an 'invisible' touch dimmer in the top of the marble base. Simply tap once to switch the lamp on or off or press and hold to adjust the brightness.
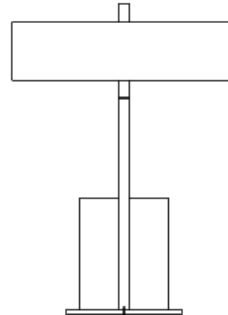

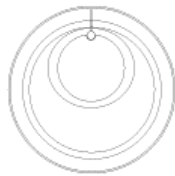

- Solid marble base can be specified in a number of colours
- Brass metal elements can be finished in a range of galvanised finishes or platings
- Touch dimmer hidden within solid marble base
- Rotating lamp shade allows the lamp to be adjusted for best use
- Made in Italy and crafted with the finest materials
- Weight (kg) 10.00
- Manufacturer Foresti & Suardi
- Light Element Type SMD LED
- Dimmer Yes
- Lampshade Colour Sand
- SKU L0002
