

8748 Titan

Titan is a tubular wall luminaire. With twin LED modules at either end of the fitting, the Titan wall light makes for an excellent bedside table fitting, illuminating both the furniture surface as well as the surrounding wall area.

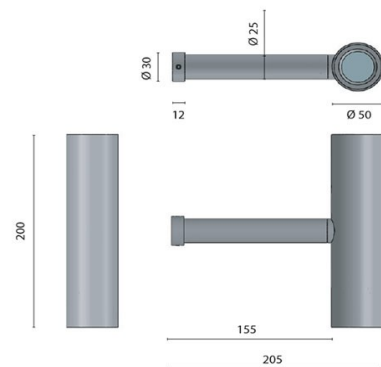

This wall fitting is available in two LED colour temperatures as standard, either 3200K or 4000K.

Made entirely from marine-grade materials, the Titan luminaire is designed to continue to perform for many years, regardless of the environmental conditions. The fitting must, however, be kept protected from water and is designed for interior application only.

GINEICO

- 10-30Vdc input
- LED chip in 3200K or 4000K
- Remote voltage regulator installed on power cable can be easily removed if directly powering with required current
- Dimmable
- Chrome plated finish
- Length (mm) 200.00
- Weight (kg) 1.50
- Manufacturer Foresti & Suardi
- Installation Surface Mounted
- Light Element Type Power LED
- Lens Angle 55°
- Lux Level at 1 Metre 258.00 (single LED module)
- Lumens 265.00 (single LED module)
- Lumens Per Watt (Lm) 73.61 (single LED module)
- Wattage 3.6 W x2
- CRI >80
- Input Voltage 10-30Vdc
- IP Rating IP20
- Dimmer Yes
- Depth (mm) 205.00
- Finish Chrome
- Fixing Dimensions Ø30.00
