

Alhena 50 Top Spotlight

The Alhena range of LED ceiling lights consists of various luminaires in a tubular form.

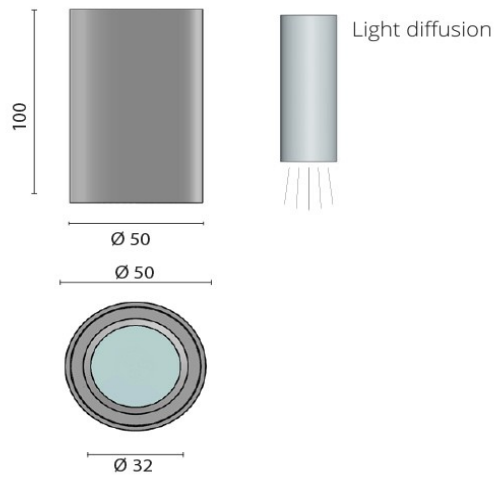

Alhena fittings are available in a variety of lengths and diameters and are constructed from solid brass. They are extremely effective feature lights and draw attention and focus to a particular point, ideal for application above dining tables or above seating.

The Alhena 50 Top is a Ø50mm luminaire and is available in a single length as standard although custom lengths are available on request.
